

The South Milwaukee DARE program currently consists of Officers Carol Olson and JJ McLean who teach DARE to every public and parochial 5th grade student in South Milwaukee on an annual basis.

DARE stands for Drug Abuse Resistance Education. It is a 10-week program designed to educate young people on how to develop and maintain healthy lifestyles in their communities.

With your support, the DARE program will reach hundreds of students in South Milwaukee over the next several years. We will teach each child the importance of staying drug free and avoiding violence.

Your support is greatly appreciated. All money raised from this outing will be used to buy books and other supplies needed for teaching the DARE program. The South Milwaukee Police Department and the DARE students of South Milwaukee thank you!

Please join us for a day of fun on Monday, July 22nd 2019 at 8 a.m., @ Oakwood Golf Course (3600 W. Oakwood Road, Franklin, WI). We're looking forward to seeing you!

Information about DARE

DARE is the largest, most recognized anti-drug and violence program in the world.

DARE is taught by specially trained police officers. These officers go into the classroom once a week to teach a one hour lesson on various topics. These topics include: learning the harmful effects of drugs, dealing with peer pressure, strategies in resisting drug offers, beating stress, self-esteem building, avoiding violence, and how to get involved in positive activities.

During the program, officers form friendships and create impressions that will last a lifetime. DARE is a program that lets children get to know officers personally, in a positive manner, that helps discourage the false perceptions of police officers.

Upon completion of the DARE program, there is a graduation ceremony where the officer; chief and mayor get a chance to speak to the graduates and their parents about continuing in a healthy lifestyle which the DARE message emphasizes.
